

Request for proposals 2025 Jeux de la francophonie canadienne

Ottawa, June 15th, 2022 – The Fédération de la jeunesse canadienne-française (French Canadian Youth Federation) is proud to relaunch its Request for proposals in preparation for the 8th Jeux de la francophonie canadienne (Canadian Francophone Games), which will be held in the summer of 2025.

The Canadian Francophone Games are a national triennial event that fosters connections by presenting a unique program combining the arts, cooperation, leadership, and sports. They showcase more than a thousand French-speaking young aged 14 to 18 from across Canada. Hundreds of volunteers work behind the scenes, developing their skills, and creating a festive atmosphere in their host community. The Canadian Francophone Games provide youth with cultural pride, self-confidence and leadership abilities in a friendly, competitive setting.

Cities or organizations that wish to submit their application can obtain all relevant information by [visiting the Games' website](#). Please note that official documents are only available in French, as les Jeux de la francophonie canadienne is a francophone event, but that an English summary is available.

A letter of intent must be submitted before August 15th, 2022, and bids will be accepted until December 15th 2022. The host committee will be announced in 2023.

For more information, please contact the Games' Manager at caroline@fjcf.ca.

FJCF gratefully acknowledges the financial support of the Government of Canada, for its ongoing support of the Jeux de la francophonie canadienne since their inception in 1999.

The FJCF is a national organization led BY and FOR youth, made up of eleven associate members from nine provinces and two territories. It develops and undertakes numerous projects, while working with French-speaking youth to ensure their development and fulfillment as a group that stands up and claims its rightful place as proud Francophones.
